

This brochure is produced by funding from the Blanche W. Grady Community Service Award. Funds to underwrite the cost of this brochure are distributed by Bruce Saint Laurent, 2001 recipient of the award.

The Scott M. Niswanger Family established the Grady Award to honor Niswanger's mother, Sharon Niswanger, and to recognize the many volunteer and professional accomplishments of Mrs. Grady, a valued friend of the Niswanger family. The annual Grady Award is presented to a community volunteer, who, like Mrs. Grady, has worked tirelessly without recognition.

How to find no-cost/low-cost medicine on this website:

1. Look for Patient Assistance Programs by looking up the name of your medicine.
2. Click on brand name drugs and follow the directions.
3. If you can't find your meds on this list...click on the generic name drugs list.
4. If your medicine is not on either list, assistance is not currently available through a program.
